Description

I am looking for an NSFW Reddit Assistant with experience. We will provide you with all the information, scripts and the best learnings.

We teach and show you how to do it properly. We also give you the content and everything else.

If that sounds interesting to you, let us know!
We're looking forward to work with you!

Responsibilities

your work includes:
– research for good captions
– follow all rules of the subreddits
– posting into 55-80 subreddits 2-3 times a day

Qualifications

- 18+ years old
- laptop / pc is required
- past experience in doing reddit would be great

Job Benefits

Please only apply for this job when you're okay with working up to 4 hours a day and if you have experience. Salary will depend on how much experience you have and you will get a provision. Up to 1.000$/moth including provision is possible if you're good.
